This decision is issued in response to the "Renewed Petition To Correct Inventorship, 37 CFR 1.497(d)(3)" filed 12 May 2009. Applicants have previously submitted the required \$130 processing fee.

### BACKGROUND

The procedural background for the present application was set forth in the decision mailed on 16 April 2009. That decision dismissed applicants' request to correct inventorship under 37 CFR 1.497(d) for failure to satisfy all the requirements of a grantable request. Specifically, applicants had failed to provide the required consent of the assignee to the requested change.

On 12 May 2009, applicants filed the "Renewed Petition To Correct Inventorship, 37 CFR 1.497(d)(3)" considered herein.

### DISCUSSION

The renewed petition was accompanied by a "Consent of Assignee To Correction Of Inventorship" in which the assignee, ALFIT AG, expressly agrees to the addition of Gunter GRABHER as an additional inventor herein, and this consent is submitted in compliance with the requirements of 37 CFR 3.73(b). Applicants have therefore satisfied the final requirement for a grantable request to correct inventorship under 37 CFR 1.497(d). The requested addition of Gunter GRABHER as an additional inventor of record pursuant to 37 CFR 1.497(d) is therefore appropriately granted.

Based on the above correction, the declaration filed 28 December 2006 is now acceptable in compliance with 37 CFR 1.497(d).

**CONCLUSION**

Applicants' renewed request to correct inventorship under 37 CFR 1.497(d) is **GRANTED**.

The inventorship of record herein is corrected to add Gunter GRABHER as an additional inventor of record herein.

This application is being referred to the National Stage Processing Branch of the Office Of PCT Operations for further processing in accordance with this decision. The date under 35 U.S.C. 371(c)(1), (c)(2), and (c)(4) is 28 December 2006.
